

Wheel of Time©

The 8 sections in the Wheel of Time offer you the opportunity to decide now, how you want to use your time. Use numbers to show how you use your time now AND on a 2nd sheet how you desire to use your time now or in the near future. I invite you to rename the sections most accurately represent the area's in your life where you use your time.

*****Review regularly, because YOU get to DECIDE every day!***

*****HINT: Ask yourself each time you check the time:***

“Is this what I want to be doing ‘right now’?”
